STUDENT COUNCIL ELECTIONS

by Pam Andrews

Well, another Student Council Election has come and gone. This year, as all the others, we had some hard decisions on our hands.

Tuesday, our skits and speeches, as you all must agree, were very good. A lot of wit and good hard thinking must have gone behind each and every one of them. They also really helped us to make our decisions. So, here's thanking everyone who helped make them possible.

This year's Student Council's Officers are as follows:

President- Pete Kingston

Vice President- Jim Buelow

Secretary- Marcy Ouellette

Treasurer- Michele Ouellette

Congratulations to all these people and also to everyone who made this year's Student Council Election as great of a success as it was !!

COME TO THE ART FAIR!

by Vicki Barnes

Thursday, June 1st there will be an art exhibit in the gym given by Miss Lukasik's art classes from 12:00 to 4:30.

All the art classes will be involved, including a group of ninth graders who are making a giant Mustang which will be exhibited in the hall. There will also be a special section just for Op Art.

The objects will be for sale; the prices set by their artist.

There will be an auction of art objects donated by the students, the money for which will be put in a general fund to be decided how to be spent at a later date.

WEST NEW CHEERLEADERS by Gail Burrell

Action, Speed, yes indeed! Looks easy? One wouldn't believe all the hours of practice that goes into perfecting every little jump or move of the arm. To make matters worse, you have to get ten girls to do exactly the same thing. But our new West cheerleaders should be able to tackle anything after try-outs. First of all 25 girls were chosen out of the 80 girls trying out. These 25 girls had to do a cartwheel, splits, Russian splits, spread eagle, and three cheers. It was a tough decision. "All the girls were really good!" one judge exclaimed. The 1967-68 cheerleaders were finally decided upon.

Congratulations to Leah Bass, Vicki Broadhead, Linda Burrell, Alice Calder, Jennifer Crittenden, Diane Miller, Marlyn Newton, Marcy Ouellette, Michele Ouellette, and Judy Wolf.

This squad marks a first in the history of West. In past years there have been eight regular cheerleaders and two alternates to cheer if one of the regular cheerleaders was sick. In coming years there will be ten regular cheerleaders.

POWER TOWERS AT BEE

by Chris Heater

Molly Power, our school spelling champ, went to Detroit May 10 and placed third in the Metropolitan Spelling Bee.

Congratulations, Molly, for your placement, hard hours of study, and thanks for keeping West's name on top!

Tigress to son: Where have you been?
I smell gasoline.

THANKS LOTS

by Annette Callis

The Round-up would like to sincerely thank the student body at West for helping make their first year a success.

The Round-Up has a long way to go and to improve in many ways, but you helped us get started. Next year and each year after that the Round-Up will grow to become an outstanding junior high school paper.

A very special thanks goes to Mrs. Hall. She has given up many hours of her time to help us. When things looked bad and our deadline was close, Mrs. Hall didn't give up. How many teachers would do so much for the students? If you have enjoyed reading the Round-Up this year, please tell Mrs. Hall. She deserves all the credit and West is fortunate to have her. Thanks, Mrs. Hall from the Round-Up staff, and from the whole student body. We couldn't have done it without you.

WHAT'S NEW IN SCIENCE

by Debbie Perdew

With the return of Mr. Behrens, came the Science Fair which was April 21st. It was held at the Intramural Sports Building in Ann Arbor.

West was well represented at the Southeastern Michigan Science Fair with 41 entries. Out of the 41, David Tyson won first place in the boys junior division of collections and models. Julie Willoughby received second place in the girls' junior division of experiments. Gary Wolters won second place in the junior division of collections and models for the boys. Kathy Edmunds was fourth place in the girls' junior division of models and collections. Barbara Brower was also a fourth place winner and also received an award from the Huron Valley chapter of the Michigan Botanical Club.

Carolyn Cornish, William Lokey, Cindy Brown, and Nancy Nelson all won honorable mention.

The awards were given Saturday, April 22nd, at a luncheon in the Michigan Union

MUSTANG MOLLY

by Cara Stroges

Dear Mustang Molly,

I love green pencils more than anything else because they remind me of the grass. My geography teacher refuses to let me use them. Geography is the class I like to use them the most in because it is so dull. Please help me!

Green Pencil Lover

Dear Green,

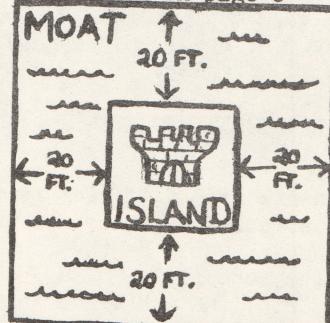

Keep using your green pencils. Who is your teacher to tell you which pencils are good or bad and besides if you keep using green pencils.....

Dear Mustang Molly,

You will think I'm crazy but I am madly in love with my shoestrings. I tie and untie them all day in school and I never get my work done. All my teachers are quite upset. I try to explain my problem but they don't understand. One teacher has threatened to buy me some loafers! What can I do?

STORMING THE CASTLE

Once upon a time there was a castle on a perfectly square island. The island was surrounded by a moat 20 feet wide, as in the drawing below.

A spy sent to enter the castle reached the moat, where he found two planks, each 19 feet long. He found a way of using the planks to cross the moat without getting wet. How did he do it?

SPIRIT JUG?

by Marlene Postiff

Have you ever wondered what the little brown jug in the showcase with the Mustang award is? Well, wonder no more! This is the school's spirit jug awarded at the honors assembly to the grade that showed the most spirit at games, pep rallies, and meets. The judges are the cheerleaders and they have already chosen the grade.

The grade and year will be painted on the jug, but will not be shown until the assembly. So, please don't expect to know before this time--even if you know it's your class!

YPSI HIGH'S JUNIOR VARSITY CHEERLEADERS

by Gayle Court

Recently ninth grade girls have been trying out for the Junior Varsity cheer-leading squad at Ypsi High. Five out of the six girls chosen were from West.

These girls were: Shawn Ball, Gail Burrell, Jeanne Cazier, Martha Lawrence, and Marlene Postiff. Another girl, Jean Dull, from East, was chosen. Congratulations to these girls for doing such a great job.

YOUR FRIENDLY HOROSCOPE

by Pamela Michalak

Aries-(those born between March 21-April 20) Avoid taking big steps-like into a testing room.

Taurus-(those born between April 21-May 20) A very special boy/girl will enter your life-and leave it. You know how things are these days!

Gemini-(those born between May 21-June 20) Beware of your 5th hour teacher. He/she will cause you trouble.

Cancer-(those born between June 21-July 22) Be thrifty! Don't spend much money this month! (except for 5¢ on the Round-up!)

Leo-(those born between July 23-August 22) A big decision awaits you! Unfortunately I can't tell you how to make it. Whaddya expect for 5¢?

Virgo-(those born between August 23-Sept. 22) This may be a month of great progress. Some of you may even raise those F's to D's!!

Libra-(those born between Sept. 23-October 22) It's time for a change! All who have been bringing their lunches start buying them.

Scorpio-(those born between October 23-Nov. 22) Travel is favorable. I suggest Saudi Arabia or some other distant place!

Sagittarius-(those born between Nov. 23-Dec. 21) A surprise will greet you around grading time. You may even pass!

Capricorn-(those born between Dec. 22-Jan. 19) Affection, sympathy, and understanding predominate. Yes, even your teachers!

Aquarius-(those born between Jan. 20-Feb. 18) This is a favorable month for gift giving. Especially if you are the receiver!

WHAT IS THE MUSTANG AWARD?

by Mr. Perriello

Here at West Junior High School a great pride has developed in being a Mustang. We are all Mustangs of West; makers of the saying, "West is Best"! In the search for excellence, all students here at West are the working force that makes West best. At the end of a student's three year tenure at W.J.H. he or she is judged along with all the students in the following areas: character, athletic ability, leadership, and scholarship. One boy and one girl are singled out to be the receivers of the Mustang Award. The award is presented at the Award's assembly at the end of the school year. This award is sponsored by the physical education department and the winners names are engraved on the plaques found in the show case outside the gym main door.

Again this year many boys and girls are being considered for this award. The award will be given to those two individuals that have expressed by their actions and accomplishments that they are truly the outstanding young student athlete at West.

HO HO

Mr. Kosky- The law of gravity keeps us from falling off the earth.

Bob Ridenour- How did we stay on before the law was passed?

Rick Meyer- I've invented something which will allow people to see right through a wall.

Jim Quigley What are you going to call it?

Rick- A window.

Glenda Geer- Do you believe in free speech?

Beth Sexton- Certainly

Glenda- Good! May I use your phone?

Pisces-(those born between Feb. 19-March 20) this should be a good month-as long as you stay away from W.J.H.!

Lura Wollan will have started growing?

Judy Davis will have gained any weight?

Mr. Tobias will have run out of jokes?

Gary Court will have a Beatle haircut?

Debbie Baer will have her hair cut?

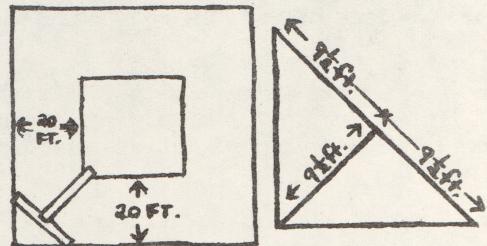

Tom Bingham will have stopped growing?

(He is 6ft. and 3 inches).

The Round-Up will be a famous newspaper?

SOLUTION TO STORMING THE CASTLE

The spy took one of the planks and placed it across one corner of the moat. With the ends of the 19 foot plank just touching the edges of the moat, the center of the plank was $9\frac{1}{2}$ feet from the corner of the moat. The second plank was then long enough to reach from the center of the first plank to the corner of the island.

Bob Ball: I don't know but when it talks you'd better listen.

CONGRATULATIONS TO ALL OF YOU

by Diane Hall

Some English classes participated in the contest, "What My Mother and Father Mean to Me", sponsored by the Ypsi area Chamber of Commerce. Each person wrote about their mother or father.

The winners at West were Pam Michalak for the mother essay and Tom Bryum for the father essay. The following people won honorable mention for the contest: Gayle Court, Linda Smith, Paul Hoagbin, Robert Quann, Kathleen Clifton, Carolyn Williams, Jim Wright, Mary King, Alvin Doss, Tamber Woodworth, Roxanne Lemon, Lura Wollam, Julie Willoughby, Eileen Jackson, Raymond Thacker, Pam Hall, Barbara Sempson, Teri Adams, Don Soule, Pete Kingston, Ricky Briggs, Gloria Sawaya, Marilyn Newton, Glenda Geer, Dianta Davis, Claudia Wiseman, Gail Ebeler, and Krista Wheatley,

Judges for the contest were Mr. Berry, Mrs. Phillips, Miss Kerr, Mr. Tobias and Mr. McAullife.

All of you have done a wonderful job. Congratulations to all of you!

7TH GRADE NEWS

by Cheryl Callis

Mr. Behrens is back! After being gone for a couple of months because of an illness, our 7th grade science teacher is finally back. Welcome back, Mr. Behrens!

Wednesday, May 3rd, the school chorus entertained the 7th graders during Home-room in the 7th grade commons area. The chorus sang a couple of selections that they are planning on singing at the Spring Concert. The purpose was to let the 7th graders know how good the chorus was, and to encourage them to come to the concert. Also, it was to let the 7th graders know that there was a chorus and that they could be members of it during their 8th and 9th grade years at West.

ARBOR DAY TRADITION STARTS AT WEST

by Annette Callis

Arbor Day Celebration was held on April 28, 1967. Members of the Student Council, Mr. Berry's class and the science classes were allowed to attend during the third hour ceremony.

A blue spruce tree was planted in the middle of the grass court directly in front of the art room. This started a tradition at West. Every year on Arbor Day the Student Council will plant a tree somewhere on the school grounds.

The ceremony started with a pledge to the flag and the singing of America the Beautiful. The tree was then placed in the hole by Tom Bower and Mr. Goodson. With a prayer, given by Martha Lawrence, the ceremony ended.

MUSTANGS SHOW THEIR TALENTS

by Shawn Ball

The Round-Up would like to congratulate the Student Council for a job well done on the talent show. Everyone that attended enjoyed the excellant talent of West Junior High (also Mr. T's jokes). The three winning acts were: 3rd place-Karl Weiss and the Valedictorians, 2nd place-Leah Bass, and 1st place-Jack Lee and the Bossanovas. Congratulations to these three acts and to all the others who participated.

YEARBOOK OUT SOON!

The 1966-67 Yearbook staff has rounded up its work on the yearbook of this school year. It will be out between late May and early June.

At this time we would like to thank Michele Boik, student editor of the yearbook, for working real hard. Along with Michele special mention goes to the staff of the yearbook which put in long hours of diligent work, so that the yearbook would roll off the press in time.

May we also give special thanks to Mr. Simmons, the advisor, for all the creative hours he spent with his staff

SPONGE WEEK

by Michelle Candiotti

We can surely say that Sponge Week at W.J.H. was a smashing success this year! Almost all students participated with wild colors, smiling faces, and (baseball socks?) The 7th graders looked like they had a pretty good time too. Our teachers also looked distinguished and proud wearing their carnations and roses on Teacher's Day.

Barb Olson said, "It was kinda fun, except for Monday and Friday. I hate to dress up!" One of the 7th graders, Marcy Ouellette, had this to say for her first experience in Sponge Week, "It was tough and a lot of fun. I liked it, didn't you?" I'm sure we all did Marcy!

The Round Up and the school wish to thank all those student, (and principles) that made this year's Sponge Week a "Smashing success". We hope we can have just as fine a one next year.

SCIENCE FAIR

continued from page 2
which was held for all those who entered the Science Fair. At the luncheon Dr. Robert C. Lusk was the speaker.

The ROUND UP wishes to congratulate all those who attended the Science Fair and a special congratulation to those who received awards.

EXCHANGE PROJECT

by Gail Burrell

One of the student council's latest projects was the exchange between the East Junior High student council officers and the West Junior High student council officers.

On Friday, May 5th, we officers went to East. We were greeted by the East officers, and since I am vice president, I attended classed with their vice president. We went to an assembly given by their music department, and at this time we were also introduced to the school.

On Tuesday, May 9th, the officers from East came over here. They got a chance to come to one of our student council meetings and attended classes with us.

One of the things that I liked about the student council at East was their authority. They sell ice cream during the lunch periods, thus having a steady income of about \$100.00 a week. This enables them to carry on many more activities (such as offering a phone to the students, and supporting a war orphan) than we can. I was very impressed with their school, but our school also has its advantages. I like the discipline at West and the student body in general.

I think the Exchange Days were very worthwhile and were experiences I'll never forget. I hope they can be continued in years to come, and if possible with some of the student body of each schools.

THE FRESHMAN FAREWELL

by Chere Semple

Hey everybody! Remember to come to the Freshmen Farewell!

It's on June 2, from 7:30 to 9:30 p.m.. Just wear regular dress-up clothes, but don't get dressed up to the point of formals!

Just be sure we see you at the Freshmen Farewell!!
